Serving Our Community | Loving Like Jesus

For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life. John 3:16

April 2022

Meet Our New Executive Director, Widny Joseph!

Faith, family, and philanthropy.

My mother and I moved to the U.S. (California) in 2009 from Haiti. I was blessed with the opportunity to earn my bachelor's degree in Psychology and master's degree in Organizational Leadership at Western Oregon University. While soccer is where my heart is in sports, I enjoyed playing football, which helped pay for my school. My beautiful wife and I met and got married during our college years. My life is an example of the goodness of God and His abundant generosity to bless me with a fantastic family and great mentors. God has been the most faithful. I am grateful to be part of Love for Lane County, working with people who love the Lord.

We Are Thankful For:

Sleep in Heavenly Peace has been an excellent connection for us. Thanks to them, we have been blessed with many brand-new mattresses in the last month. Praise God, again, for another vital Community Collaboration!

Hotel Investment Property One and Sycan B Corp have been generous to Love for Lane County. Most of the furniture that we have recently received has come from these two fantastic partners. Because of their blessings, many of our clients are being served quickly. We are grateful for Hotel Investment Property One and Sycan B Corp. We are excited to continue to partner with them in the near future and do our part in getting all that we have been given back to those in need in the community. Thanks to God, His faithfulness, and richness, we now have more than we could ask for. He has provided us with connections and opened doors of opportunity to serve Him and His Kingdom.

"The harvest is truly plentiful, but the workers are few." Mark 9:37.

Please keep us in your prayers; we continue to seek new volunteers & opportunities to serve.

Special thanks to our partners & churches in the community...in particular

Thank you to our partners who have recently blessed us: **Direct Mattress and Furniture**, the **Veterans Affairs** office, **White Bird Clinic**, & **Lane County Head Start**. Also, a very special thanks to **JunkLuggers** for helping with the Hotel Blessings pickups and getting us moved into our new storage space. We appreciate their willingness to work with us, and assist in giving a hand-up to people in Lane County who are going through challenging times such as domestic violence, homelessness, and addiction recovery.

Thank you to our Church Partners and Pastors! In particular, **Church of God Seventh Day** and the **Eugene Seventh-Day Adventists**. They have generously contributed their time and talents with us to share what Love for Lane County stands for. These partnerships enable us to strengthen our work in being the hands and feet of Jesus.

We Are Blessed By Our Volunteers ~

Please consider volunteering. We can be flexible with your available time. We are looking for volunteers to help in our Call Center/Clearinghouse, and with the upcoming Gala fundraising event. Please pass along our contact info if you know of someone willing to help us in these ways. Thank you!

The Lord has blessed us with fantastic staff and volunteers who are willing to honor Him with their time. In March, we had the privilege of hosting 11 students from **Campbellsville University, Kentucky**. It was a joy to have them help us deliver furniture and afterward organize our storage room. Words could not fully express our heartfelt thankfulness to these students and Charity, their coordinator, for their Spring Break missionary trip to Eugene. Their presence was yet another example of the goodness of God, how He continues to provide the assistance we need.
