Serving Our Community | Loving Like Jesus

Fall 2022

BUSHNELL UNIVERSITY

On Tuesday, September 20th, we had the privilege of partnering with Bushnell University to serve the community together. As part of their annual Embrace the Community Day, many students from Bushnell University, including the women's basketball team, connected with non-profit agencies in Lane County to express their appreciation for the community in action. Connor Slack (pictured in the third photo above holding the leaf) is part of Love for Lane County's weekend delivery team starting this fall. We are grateful for the University's willingness to partner in our shared mission: love. We are looking forward to our next opportunity to serve alongside Bushnell, and pray that they would be filled with the Spirit of power, love, and sound mind.

CONSIDER VOLUNTEERING

We are looking for eager, enthusiastic believers who are wanting volunteer and share God's love. Though the total number of volunteers available to serve has dropped drastically, the number of calls for assistance continues to rise, which opens the door for a greater responsibility to assist and transform. We ask that you consider volunteering and sharing your gifts with the community. Volunteer opportunities include our office team, drivers to hospital appointments, being part of our delivery team, community groups, and many more. In addition, we are looking for a new board member! If you feel like God has placed it on your heart to lead in this way, please email us at director@loveforlanecounty.org.

TO OUR DONORS

To our donors, whether you are church partners, corporate or individual, thank you for being a cheerful giver to Love for Lane County. We are thankful that you continue to offer financial support in the midst of uncertain times. We are grateful for the responsibly of being good stewards of your generosity. We believe that God loves when we are cheerful givers, know that you are always in our prayers, and we thank God for you. It is because of your offering that God continues to open the doors of opportunity for us to go out into the community and love on every client we come across. Anyone's story could be everyone's story. The reason we are in this side of life is nothing short of the grace of God. So truly, from the bottom of our hearts, thank you!

AGENCY PARTNERSHIPS

Over the last couple of months, the opportunity has presented itself to partner with other organizations serving the Lane County community. 15th Night and Senior & Disability services are just two of the many resources and partnerships we have the privilege of serving alongside. All of them believe in collaboration for the good of the community.

We are grateful for how you serve the community and look forward to growing together. Thank you!

If you come across someone in your ministry who is in need of assistance that you are unable to help with, please connect with us! We offer a wide variety of services, and we would love to partner together.

GOD DESIGNED US ALL TO BE LOVE FOR LANE COUNTY

Jesus loved and helped the weak because that is the only thing He knows how to do. God is *Love*, fortunately for us, we are made in His image. That is not only a privilege but also a responsibility to be a reflection of Him to the world. Let us pick up our cross and continue with the assignment He gave us, which is *Love*. We are in a war, not against each other, but against the evil one. *"Do not be overcome by evil but overcome evil with good."* Romans 12:21
