Serving Our Community | Loving Like Jesus

Celebrating Heidi Bolz: a heart of gold

After many dedicated years of service on our board of directors, we bid a fond farewell to Heidi Bolz in her role as board secretary. However, we are delighted to announce that she will remain an essential part of our organization, now serving as a board consultant.

While her position may change, Heidi's influence remains undiminished, as she continues to shape our organization's vision. With a heart of gold, Heidi has been a linchpin in Love for Lane County's journey since its inception. In fact, it's not an exaggeration to say that without Heidi, Love for Lane County might not exist. Her unwavering commitment to serve as the "hands and feet of Jesus" epitomizes the very essence of our organization.

Today, we express our deep gratitude for Heidi's years of dedicated service and acknowledge the profound impact she has had on Love for Lane County. Her legacy is a testament to the transformative power of faith and dedication. As Heidi takes on her new role, we are excited to carry on the work of serving our community and loving like Jesus, knowing that her presence, wisdom, and inspiration will forever be a cherished part of our journey. We are truly blessed to have Heidi as part of our Love for Lane County family.

A new beginning...

Last summer marked the beginning of a transformative chapter in our mission. We initiated our first-ever finance class in partnership with Youth for Christ, a journey that has already begun to change lives. The course, spanning seven weeks, delved into budgeting, using the powerful tools presented in Jesse Mecham's "You Need a Budget."

An astounding 11 young parents, with ages ranging from 15 to 24, embraced this program. Every Thursday evening, they came together, hungry for knowledge and determined to secure their financial futures. Our next class is set for mid-January, focusing on unraveling the intricacies of credit, taxes and the benefits of homeownership. The best part? You can be part of this incredible initiative! We are actively seeking individuals with a financial background to contribute as instructors or work one-on-one with our attendees, addressing their questions and offering guidance. By joining us, you become a catalyst for positive change in the lives of these young parents. Your knowledge and support will empower them to navigate the complexities of finances, taxes, and homeownership, ultimately paving the way for brighter futures. Make a difference, inspire change—join our financial empowerment journey today.

“Love for Lane County is a perfect example of the commandment Jesus gave us to love God first and then to love our neighbor. Love for Lane County reminds me of the importance of servant leadership, pouring into the people around us, going out and spreading the love of Jesus. It’s awesome, I stand behind this organization.” - Brayli Steberl, student.
